How we work

Before the arrival of participants Italy for EU will contact and choose a company or the organization for him/her, according to his/her needs and expectations. During last year we have expanded our network with more than 100 hundreds companies and associations, in order to provide the best work placement for the candidate.

How we work

At the participants' arrival we will provide **airport transfer service** to take them to their accommodation. Each candidate will have his/her tutor during the experience, who will be always available. Moreover, we'll organize a scheduled meeting to sum up and verify how participants are living the experience, clarifying any doubts.

At the end of the experience..

Our report and monitoring activities will be divided into:

- Evaluation Training Questionnaire
- Evaluation of Language Course
- Questionnaire about the accommodation service
- Questionnaire about the Project management and the overall organization

staff

-
- A young man with dark, curly hair and a wide smile, wearing a white shirt with blue floral patterns, lies on his back with his arms raised. He is surrounded by a large, overlapping collage of various academic and professional certificates and diplomas from institutions like UNIMINUTO, Villanueva, and others. The certificates are in Spanish and feature various logos, signatures, and dates.
